Council of Norway

*your logo
goes here*

How to use the package

Place or symlink the `nnrc-images` directory in your working directory.

Use the `\titleframe` command to make the title frame.

If no `titlegraphic` is defined, the package uses the NNRC banner.

Questions and suggestions can be addressed to the current maintainer of the package (see the notice at the top of `beamerthemennrc.sty`).

Guidelines

use

options

Package options

- ▶ `english` or `norsk`: select the logo language.
- ▶ `sidebar`: add a sidebar with table of contents. The default dimensions can be changed using:
 - ▶ `width`: width of the sidebar.
 - ▶ `height`: height of the sidebar above the table of contents.
